OUR DESTINATION – UNITED ARAB EMIRATES

The United Arab Emirates (UAE) is a federal nation comprising of seven emirates – Abu Dhabi, Dubai, Ras Al Khaimah, Sharjah, Ajman, Fujairah, and Umm Al Quwain. The distinct diversity across the UAE makes each of the seven emirates a destination on its own. A land of contrasting landscapes – from awe-inspiring dunes to rich oasis, precipitous rocky mountains to fertile plains – the UAE also boasts of an impressive skyline that features a breath-taking mix of traditional and cutting-edge architectural wonders. Having transformed itself into one of the most progressive, innovative, sophisticated and exciting places to visit, the country has become a highly sought-after destination by business and leisure travelers worldwide.

It is only an eight-hour flight away from two-thirds of the world and a four-hour flight from the remaining one-third of the world's population, the UAE is easily accessible by any traveler coming from almost anywhere in the world. Air travel to the UAE is even made more convenient through more than 90 airlines flying to more than 240 destinations across six continents. Along with all year-round sunshine, blue skies and very little rain, every journey to the UAE simply becomes a unique and unforgettable discovery of Arabia.

ABU DHABI

Meaning 'Land of the Gazelle' in Arabic, Abu Dhabi was founded when a young antelope led a wandering tribe to fresh water, on an island with no more than 300 palm ('barasti') huts, a few coral buildings and the Ruler's fort.

This simple island settlement has since been transformed into the modern, cosmopolitan city of Abu Dhabi and the high-rise capital of the United Arab Emirates.
